Metro Two-Way

BODY 18/8 Stainless Steel
 LID Polypropylene (PP)
 GASKETS Silicone
 COLOR Mint, Pink, Navy, Off White, Gray

Two-Way Cap Designed for Indoors & Outdoors

Use as a table cup indoors and seal with the To-Go cap outdoors.

Portable Attached Silicone Handle

The silicone handle located at the top of the cap allows for easy carrying. When not in use, the handle may be pushed down.

Wide Open Top

2-Inch wide open top makes it easy to pour ice cubes and clean the bottle. Wide open top can be sealed with to-go cap.

Suitable Design for Indoors & Outdoors

Use as a cup indoors and as an insulated bottle outdoors

Metro Two-Way

Use as a cup indoors and as an insulated bottle outdoors.

Metro Edge

Metro Edge has a stunning edge design with unique-shaped metal body. Attached silicone strap completes design and provides portability. Sleek body and curves create a dynamic balance between the body and cap. Award-winning bottle design (German Design Award 2021, IDEA Design Award 2020, Red Dot Design Award 2020, iF Design Award 2020).

Metro Tumbler

BODY Stainless Steel 304
 LID Polypropylene (PP)
 GASKETS Silicone
 COLOR Pink, Navy, Gray, Silver

Strainer for ice to protect from pouring and hold a straw

A strainer for ice protects from pouring, and also helps straws stay in place.

Lightweight body and handy strap for greater user comfort

Carry it with just one finger by using the handy strap on the Metro tumbler that is as light as a smart phone.

Good manners with silent stopper

Keep good manners anytime and anywhere with a silent stopper that keeps shock and noise to a minimum.

Simple, sophisticated and safe

The reliable and safe STS304 stainless tumbler comes in the chic design with curved lines for a firm grip.

Metro Mug

Metro Tumbler was born in collaboration with world-class design consulting agency, Daylight. It features simple and practical designs that reflect Nordic sensibilities, sophisticated modern design, and high convenience considering modern life patterns.
